

Subject to modification depending on the evolution of the health situation and directives of federal or cantonal authorities.

ONSITE QUANTITATIVE ANTIGEN TEST OR NEGATIVE PCR TEST RESULT REQUIRED

Every participant must have tested negative to take the start, including those who have been vaccinated.

Swiss participants:

The event will provide a quantitative antigen test centre for all participants in collaboration with the laboratory Etilab. Tests are mandatory for all Swiss athletes and will be administered Friday 4 June 2021 from 9am to 9pm. Each participant tested will be entered into the database of the cantonal doctor. The test costs 30 CHF to be paid by the participant.

International participants:

International participants may also choose to be tested onsite Friday 4 June 2021 from 9am to 9pm (price 30 CHF) or may provide a negative PCR result from a test taken no more than 72 hours before the start of the event. Each athlete's temperature will be taken upon entry to the sports centre (start & finish). NB: All 600 event volunteers will be tested Thursday 3 June 2021.

HYGIENE

Two masks and hydroalcoholic gel will be distributed to every participant at the entrance to the complex.

MASK

Mask wearing will be mandatory on the entire site (Sports centre, start, finish, stadium, refreshment stations, and surrounding areas). All runners must wear a mask at the start and may only remove it 300 metres after crossing the starting line. Masks must be worn at refreshment stations. Masks must be worn at refreshment stations outside of specifically designated eating and drinking areas.

START ORGANISATION

Starts will be organized into groups, every 30 minutes depending on distances. An e-mail will be sent to each participant before the event by the timekeeper MSO Chrono to help estimate an overall race time. Runners will be able to access the start area at the sports centre 30 minutes before their start time. Runners must exit the sports centre zone no more than 60 minutes after finishing the race. People accompanying runners will not be allowed in the start/finish zones or in the sports centre complex.

REFRESHMENT STATIONS

Runners must wear masks at refreshment stations but are allowed to take them off to eat and drink in designated areas while respecting social distancing. Event staff will distribute food and drinks, no self-service allowed.

ENTRIES

Entries will not be accepted on-site. Runners must enter via the website (www.swisscanyontrail.com) and may change distances until 15 May 2021 by writing to support@mso-chrono.ch. Changes will not be accepted at the race office.

BIBS

Bibs will be mailed to all entrants residing in Switzerland. All other entrants will be notified of the time and location to pick up their bib at the event site.

EQUIPMENT CHECKS

There will not be an equipment check before the start. However, twice as many random checks as usual will be carried out on the course, with full respect for competitors and the competition. Runners must accept them unequivocally or face immediate disqualification.

CHANGING ROOMS AND SHOWERS

Changing room and shower presence and protocol will be determined and communicated to competitors once federal authorities have established the necessary health directives to be followed.
